

September 2011 Update

September was a very busy month with events and ministry opportunities all month long. The first weekend of the month we were back in Waco TX for the long awaited SDBA race on the Brazos River. The park had been closed for the past 2 years for improvements, and it was worth the wait. However the weekend took a terrible turn on Saturday afternoon during the last qualifying session. Our good friend and fellow racer John Villasenor lost his life in a crash at the top end. Chapel service the next morning was very emotional with a packed crowd of over 370 racers and spectators to hear not only God's message, but witness 17 being baptized in the river. We all know that John was looking down with a smile.

After Big John's celebration service the second week of the month we were in Ft Worth for the final SDBA race of 2011. We again were blessed with a huge crowd during Sunday's service and a wonderful weekend all around. After qualifying Saturday we had a tribute pass with all the jet boats for Big John. Then a benefit action-fundraiser for Rob Scobee who is battling health issues and awaiting a kidney transplant. Along with all of that we also baptized 6 more in the lake that

were not able to attend the previous event.

September 22-25 was the NHRA Nationals at the TX Motorplex followed by the Summit E.T. Bracket Finals. Both these events are always filled with fun and ministry opportunities. The TX Motorplex always goes out of their way to accommodate Team RFC and our ministry needs and for that we thank you very much.

We are in the middle of October and still on the road each weekend. As said in prior months we could not do what we have been called of God to do if it weren't for your continued prayer and support. We know that God will continue to use us and bless us in this wonderful ministry through His anointing and your support. For instance with our increasing multi-state schedule we had been putting a lot of miles on our vehicle. God knew the need and came through as always by providing a new 2011 ¾ ton diesel truck through our wonderful giving support family.

1Peter 1:4 **“and we have a priceless inheritance—an inheritance that is kept in heaven for you, pure and undefiled, beyond the reach of change and decay.** Jesus challenges us to make long-term investments that are permanent and guaranteed. Deposits made in the First National Bank of Heaven will not decay or disappear. They are protected and insured by God Himself. I close this month's “lengthy” update by saying thank you for answering the call to support us and Team RFC. Your treasures are being stored up in heaven and we pray that God will continue to bless you for all you do for us and the kingdom of God.
