## REPORTS FROM AROUND THE COUNTRY

*Chaplain Scott Trent at a chapel service – Thunder Valley Dragway, Bristol, TN*

As the Field Ministry Director for Team RFC® I have the privilege of reading the Event Report Forms from all the different types of events we are serving each and every week. Today I thought I would share a few of the comments our chaplains have made as they write and reflect what God is doing through the ministry of Team RFC®. Please remember to pray for each of our chaplains as they minister all across the country.

*“It was a good day of prayer with the racers & event staff as well as a time of ministry and encouragement to several of the teams & crew in the lanes.” ~ Mike Griffith, OK*

*“I very much enjoy hanging out with this group. They are fun to watch. Next month I will be offering a Chapel Service for them which I’m told will be the first time having one, so let’s all Pray for this, Pray that our Lord provides and that the message is well received.” ~ James Scott, CA*

*“A Glorious time of fellowship with several drivers and their families. I thank GOD for giving me a message to share and someone to share it with.” ~ Jerry Shepherd, LA*

*“We had a wonderful weekend, prayed for every driver, we had the best turn out at our table and handed out a lot of stuff. We did a service on salvation.” ~ Tim and Terri Hamilton, TX*

*“Great day with great weather and very good attendance for the race. Had a lot of comments thanking us for what we do and heard some testimonies from some of the racers and families. Had some police and military families there and we thanked them for their service. As always it’s a blessing to be a small part of Team RFC and serve our LORD!” ~ Ricky Hayes, AR*

*“Crew is so open at this place – shame I cannot get there more than 4 times this year. I will pray for someone to step forward in this area and be a permanent fixture for them. The starter stopped racing when he saw me and came over to welcome us to the track. He said that it is great to have RFC present.” ~ Terry Miller, MN*

*“Very cold and windy day with snow!!! 34 degree chapel service, but we praised and worshiped God. Sky cleared and racing moved smoothly after community prayer for a dry track, God answered prayer in front of all.” ~ Rob Herman, MI*

*“Life is just a schoolroom with a glorious opportunity to prepare us for eternity.”*

*~ Billy Graham, from the book Billy Graham in Quotes*

These are just a hand full of comments from the 248 Event Report Forms we received last month. As you can see from these few observations that prayer is a vital part of our ministry. There are so many opportunities for us to share Christ in the world of motorsports. We are thankful for the occasions we have been given, but God has called us to even greater things. As Terry said, **“I will pray for someone to step forward in this area and be a permanent fixture for them.”**

We would love to have the opportunity to share the mission and vision of Team RFC® at churches, small groups, church camps, Bible studies or possibly... with just you. Jesus told his disciples, **“The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field,”** Luke 10:2 (NIV). If you are interested in talking to us about an opportunity to help us share Christ through Team RFC® please call our office at (480)507-5323.

## JESUS BUILDS HIS CHURCH

This may not look like your typical church building, but Team RFC® was blessed with a wonderful new “chapel,” at South Mountain Dragway, in Boiling Springs, PA. Brian Kuhn serves as the track chaplain there.

Dale Ressler, our Northeast Region Director, posted on his Facebook page about this wonderful blessing, “On this Easter Sunday, Jesus continues to build His Church. Yesterday some Racers and Chaplains built this chapel at South Mountain Dragway for the RFC Chapel Service each Sunday during race season. Today celebrates the reason we do what we do as Racers For Christ.”

“Brian invited us to attend the dedication of the new (chapel) structure. It was very pleasant. We then visited in the pits, this is a nice little track. We have always felt like family when we are there.” ~ Claire Laterza, PA

**“I was glad when they said unto me, Let us go into the house of the LORD.” ~ Psalm 122:1 (KJV)**
